

HIGH TEMPERATURE RED SPRAY GREASE

"Works like a grease gun in an aerosol can"

Red Ease is a deep penetrating liquid grease that flows into areas that are difficult to lubricate. Once applied, the solvent carrier evaporates and Red Ease forms into a thick grease that is resistant to high pressure and temperatures up to 500°F. This superior lithium based lubricant is highly resistant to water, salt spray, acid, detergent washout and shock loads.

FEATURES

- Temperature and pressure resistance(-60°F to +500°F)
- Lubricates and rust proofs
- Penetrates deeply into difficult to lubricate places
- Sprays as a liquid then air cures to a thick grease
- Lithium based
- Contains no Chlorinated Solvents
- Holds up under high shock loads
- Reduces frequency of lubrication
- Resists acids, oxidation, dirt, salt spray, water and detergents

FOR USE BY

Frozen Foods Processing * Dairies * Bakeries * Marinas
Freeze Drying Operations * Cargo Ships
Hot Air Drying Operations * Shipping Operations
Packaging & Molding Operations
Aircraft Maintenance * Heavy Equipment Repair
Industrial Maintenance Department

FOR USE ON

Ovens * Dryers * Gears * Valves * Pumps
Winches * Conveyors * Chain Drives * Fittings
Linkages * Wire Hope * Hoists
Threads * Rollers * Cams
Slide Bearings * O-Rings * Manifold Heat Valves
