

STEAM CLEANER CONCENTRATE

K18

steam
pressure cleaner
concentrate

POWERFUL, HIGH- ALKALINE DEGREASER

Works where other degreasers fail. Formulated with special ingredients for extremely tough jobs that require extra strength. Cleans and degreases engines, oil rigs, machinery, industrial floors and walls, kitchens, ovens, vent hoods, fans, filters, heat transfer coils, etc.

FAST ACTING • EASY TO USE

Formulated to super wet and emulsify oily, waxy and greasy soils from alkali resistant hard surfaces by mop, pressure washer, steam cleaner or any other mechanical method.

CONCENTRATED

This product can be diluted with up to 50 parts water for greatest economy, and still maintain its power to clean and degrease.

USDA AUTHORIZED

... for use in federally inspected meat and poultry plants for floor and wall washing.

DESCRIPTION

A powerful degreaser that works where others fail. Yields a clean surface by chemical saponification and emulsification of oily, greasy and fatty soils.

APPLICATION

FAST ACTING, FREE RINSING CONCENTRATE

For use in all types of steam cleaning and pressure washer equipment.

Contains special additives to minimize foaming and to help prevent lime and scale buildups in equipment nozzles.

DIRECTIONS FOR USE

Use 1 gallon CONCENTRATE to each 4 gallons of water in machine solution tank. Adjust the solution valve for most efficient, yet economical dilution to suit cleaning need. If surface to be cleaned is moderately soiled, reduce above dilution accordingly. Use 1 gallon CONCENTRATE to each 20 gallons water for hand cleaning of heavily soiled surfaces; here again, regulate dilution to fit need.

PRECAUTIONS

Keep out of reach of children. Harmful if swallowed. Do not take internally. Keep out of eyes. Avoid prolonged skin contact. Keep container closed. Use with adequate ventilation. Wear safety glasses and resistant gloves. Do not use in the presence of unprotected foods. Rinse empty container with water and discard. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss, or damage, if product is used in any manner not in compliance with label direction or if precautions are not observed.

FIRST AID

EYES: Flush with large amounts of water for at least 15 minutes; contact physician.
IF SWALLOWED: Do not induce vomiting or give anything by mouth to an unconscious person. Seek medical attention. EXTERNAL: Flush with large amounts of water. Remove contaminated clothes. Seek medical attention.
