K185 LEMON QUAT

*pH Neutral Disinfectant
Deodorant Cleaner*

Housekeeping Liquids Deodorants & Disinfectant Deodorant Cleaners

This quaternary based disinfectant and powerful cleaner is highly fragranced and is effective against a wide variety of gram positive and gram negative microorganisms. This pH neutral product can be safely used on any hard surface and will not attack floor finish. Its versatility sets it apart from all other cleaner disinfectants. When diluted, **Lemon Quat** cost less than 70¢/GL. This commercial quality product is ideal for use in institutional and educational facilities.
