

Odor Absorbent Bag

Odor Neutralizer Bag
(B5145)

ODOR ABSORBENT BAG uses natural minerals and an exclusive process to absorb and neutralize all types of odors. Its content is non-flammable, non-toxic and safe around people, pets and environment. **ODOR ABSORBENT BAG** is easy to use, lasts an average of 3 to 4 months and contains no chemicals, toxins or fragrances. **ODOR ABSORBENT BAG** does not mask odors, it removes them in a simple and cost effective manner.

Directions: Remove clear shrink-wrap from the bag. Hang **ODOR ABSORBENT BAG** in the area where odor is the strongest. For best performance, limit coverage of one **ODOR ABSORBENT BAG** to a single room to 100 square feet. Odors usually are absorbed within 1 to 24 hours. More bags equal better and faster results.
