

K130 A.C.T. KOTE

Rejuvenates Acoustical Ceiling Tiles

Housekeeping Aerosols Specialty

Restores stained and discolored tile to like-new condition, eliminating the need for costly replacement. Does not affect acoustical properties of the tile to which it is applied. Excellent for both smooth and rough surfaces. Will not cause warp or sag. In compliance with fire and building codes, after spraying, the dry residue is non-flammable and will not burn. Features an interchangeable actuator system that allows spraying of tiles in place or when removed.

FEATURES:

- * Covers Discolorations
- * Non-Flammable When Dry
- * Dual Spray System
- * Non-Chlorinated Solvents
- * No Hexane

FOR USE BY:

Office Building, Maintenance Crews,
Construction Companies,
