

K15 RESIST

Premium Quality Finish, Metal Interlock (25%)

Housekeeping Liquids Floor Finishes & Sealers

Resist is for those who want the highest gloss and wear with the least amount of labor. This 25% solids, metal crosslinked polymer finish gives your floors a depth of gloss like you've never seen before. One coat does the job of two coats of an ordinary finish. This finish is detergent resistant, non-scuffing, durable, a real labor saver. Suitable for use on all floors; may be maintained by damp mopping. **Resist** may be buffed with a standard or high speed machine. Spray buffing will rejuvenate floors beautifully.
