

# K169 FAST ACT

## Vomit / Liquid Deodorizing Absorbent

## Housekeeping Powders Deodorizers

**Fast act** is the fastest and safest material for the absorption of potentially harmful spills of bodily fluids and other hazardous liquids. Absorbing liquids at the rate of up to 60 times its weight, each 12 oz. bottle will absorb over 5 1/2 gallons of liquid.

**Fast Act** contains a lemon deodorant to deodorize as it absorbs liquids into a gel-like form.

**Fast Act** absorbs blood, urine, vomit, oil\* and other liquids quickly and safely.

*\*Not cost-effective for large oil spills*
