

K188 EZ GEL

H.D. Carbon Remover & Oven Cleaner

Housekeeping Quarts Cleaners & Specialty

EZ Gel heavy duty carbon remover and cleaner meets USDA requirements as an oven and grill cleaner. This versatile product can be used on cold or hot surfaces and is fast penetrating and pleasantly scented. Its gel formulation increases contact time on vertical surfaces. **EZ Gel** works by saponification (softening) of baked fats and oils then dissolving carbon deposits so they can be easily wiped away. Removes even the worst caked on foods, greases and carbon. **EZ Gel** restores cooking surfaces to like new condition.
