

# K242 GREASE CHISEL

## *Heavy Duty Citru Terpene Degreaser*

## Industrial/Automotive Liquids Cleaners

**Grease Chisel** is the result of years of research in an effort to economically and safely remove industrial grease and oils. It uses a “triple action” formula to clean, degrease, and deodorize. This water soluble citrus solvent cleaning system is free of chlorinated solvents that are harmful to individuals and the environment. It rapidly penetrates and lifts petroleum, animal and vegetable based oils, fats and greases.

### **CONCENTRATED:**

**Industrial:** Concentrated, Industrial Strength. For Very Heavy Cleaning Such As Auto Parts, Transmission, & Engine Housings, Dilute 1:1 - 20:1. Use Cold In Re-Circulating Tanks

**Housekeeping:** Safe On All Washable Surfaces, **Grease Chisel** Will Take On The Tough Jobs. Dilute Up To 64:1 For Typical Housekeeping Uses

**Kitchens:** Excellent As A Floor Degreaser. For Severely Greasy Floors, Range Hoods, & Other Kitchen Grease Dilute 1:1 - 10:1

### **FEATURES:**

- \* Superior Grease & Oil Remover
- \* Unique Water Soluble Solvent Cleaning System
- \* Contains No Chlorinated Solvents
- \* Versatile
- \* Deodorizes As It Cleans
- \* Dilutes With Water For Economical Use
- \* Environmentally Friendly
- \* Safe On All Washable Surfaces

### **USES:**

Mineral Oils, Light Greases, Vegetable Oils, Waxes, Inks, Grass Stains, Soft Carbons, Body Greases, Buffing Rouge, Soot Deposits, Mobile Equipment, Plant Machinery, Conveyors, Floors, Walls, Shower Stalls, Light Fixtures, Metal Parts, Bowling Pins/Balls
