Non-Staining Dry Air & Fabric Freshener

K269 Fresh Orange Vanilla K247 Fresh Clean Linen

Housekeeping Aerosols Deodorants & Disinfectant Deodorant Cleaners

Fresh dry mist odor counteractants quickly freshen entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, sports shoes, closets and many more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of malodor has been removed. The light formulation travels with air flow and eliminates the odors where they hang. A special two way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

Metazine® “Odor Eating” Technology

Fresh dry mist odor counteractants now contain active agent Metazine® which encapsulates foul odor molecules and chemically neutralizes, eliminating source of odor and leaving a pleasant residual scent.
