

K287 SOFT & FOAMY

Foaming Anti-Bacterial Hand Soap

Hand Care Cartridge

Soft & Foamy foaming antibacterial hand soap is fortified with aloe and vitamin E to provide a luxurious hand wash. **Soft & Foamy** will provide twice as many hand washes per ounce when compared to ordinary liquid hand soaps. This helps reduce labor since the dispenser needs refilling less often.

The **Soft & Foamy** dispenser is attractive and functional. It is ADA compliant and guaranteed leak proof. The **Soft & Foamy** soap system will help fight germs, provide care to your skin and save \$\$\$.
