

# K307 Wipe Off Graffiti Remover Wipes

**WIPE OFF** graffiti remover wipes contain powerful cleaners that quickly attack all forms of graffiti. Scrubbing action is built into the fabric to complement the effective formula. Removes graffiti caused from most paints including tough enamels. Does not contain methylene chloride or other harsh chemicals leaving towel safer to handle. Towels remain moist in container until ready for use. **WIPE OFF** has a biodegradable formula that can be used on many surfaces including: bathroom partitions, phone booths, lamp posts, bus stops, seats, desks, wall tile, trains, aluminum siding, road signs, stainless steel, billboards and lockers. Effectively removes graffiti from almost any hard surface.

- Directions:**
1. Remove lid by lifting upward.
  2. Pull towel from center of the roll and thread through "X" on the under-side of the lid.
  3. Close lid. Pull towel at a 90° angle.
  4. Snap hinged cap back into place to ensure towels stay moist.

**Special Note:** When using on a pre-painted surface, initially test an inconspicuous area to make sure paint is not removed along with the graffiti. These wipes may attack certain plastics.

Health	1
Flammability	2
Reactivity	0
Protection	B
