

# K332 POWER SORB

*Unique Liquid Stain Absorbent & Remover*

## Housekeeping Quarts Cleaners & Specialty

**Power Sorb** is a unique liquid stain absorbent & remover. It is highly effective against oils, greases, BBQ grill stains, silicone oils from tire dressings & other stains. It is ideal for use on asphalt, concrete, paving stones, pressure treated wood, composite decking & other surfaces.

Most surfaces are porous & normal cleaning will not completely remove oil stains. This can create a dangerous slippery surface when wet. **Power Sorb** will penetrate the surface's pores & totally eliminate any oil residue.

Easy to apply by pouring, spraying or brushing onto stained surfaces. Quickly dries to a powder for easy removal. No scrubbing or rinsing necessary. Biodegradable.

### FEATURES:

- \* Eliminates The Unsightly Stains In Garages & Work Shops
- \* Reduces Liability Associated With Slipping & Falling Due To Wet Oil Stains
- \* Thickened Liquid Applies Easily Even To Vertical Surfaces
- \* Quickly Dries To A Powder
- \* Dried Powder Is Easy To Remove
- \* Biodegradable

### USE ON:

Asphalt, Pressure Treated Wood, Concrete, Composite Decking, Paving Stones

### EFFECTIVE AGAINST:

Oil, Greases, BBQ Grill Stains, Silicone Oils From Tire Dressings
