

K335 BIG CAT

Aerosol, Heavy Duty, Citrus Degreaser

Industrial/Automotive Aerosols Cleaners & Degreasers

Big Cat is a powerful aerosol degreaser that uses natural citrus. This versatile product can be used to remove grease, grime, oil, gaskets, protective coatings and much more.

Big Cat does not contain any fluorocarbon propellants or chlorinated solvents that can deplete the ozone. Packaged in the convenience of an aerosol, this versatile industrial strength degreaser contains a citrus fragrance and rinses with water. It contains a high pressure delivery system which allows for thorough cleaning and degreasing.

Big Cat is formulated to degrease heavy equipment, machined parts, motors, molds and dies. You will find this product useful in industrial manufacturing repair shops, waste treatment plants, automotive detail shops, tool and die shops, hotels and apartment buildings, and car dealerships.
