

Fresh Scents Series

Fresh Shield

Elevate Your Restroom Experience

A BETTER SOLUTION TO URINAL MATS

Elevated Frame

- Keeps shoes & floors clean
- Easy to clean under
- Stops the spread of urine to areas outside the restroom
- Prevents costly damage to floors
- Reduces labor

Disposable Absorbent Pads

- Quick & easy disposal
- Less waste
- Less costly than traditional mats
- No need to remove urinal mat when mopping
- Holds up to 4oz of liquids

Did You Know?

Up to 99% of bacteria on shoes is transferred to areas outside the restroom. **Fresh Shield** protects your shoes and the floor from urine splash back.

Source: Study conducted by Professor Charles Gerber, Department of Environmental Science, University of Arizona

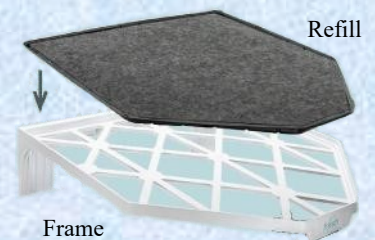

Issues with urinal mats

- Slide around on floor creating a slipping hazard
- Wasteful - there is a lot of material that gets thrown away
- Does not protect users' shoes from splash back

Issues when using nothing

- Floors get stained, damaged and acquire permanent odor
- Unsanitary - urine gets tracked outside the restroom to other areas
- Takes longer and costs more to clean
- Urine splashes on shoes
