

K40 Brake Kleen

Brake Parts Cleaner
Non-Chlorinated

BRAKE KLEEN is a residue-free, fast-drying, heavy-duty formula with a powerful, blasting spray that removes brake fluid, grease, oil, dust, and other contaminants from brake parts, pads, discs, linings and drums. Helps stop disc brake squeal, lengthens pad life and improves brake performance. Contains no hexane or chlorinated solvents. VOC compliant in all 50 states. Can be used on brake linings, cylinders, drums, springs, rotors, disc brake calipers and other related brake parts. It is used by truck fleet operators, school bus yards, car rental companies, forklift repair companies, postal, delivery and parcel services, police and fire rescue squads, auto dealers, auto repair shops and more.

Directions: 1. Shake well before using. 2. Spray parts liberally. 3. Air dry or dry with soft wiper. 4. If necessary, repeat application. 5. Avoid direct spray on painted surfaces.
