OurfreshE

Powerful Fan Deodorizing System With Recirculating Air Filter

Housekeeping Deodorant System Plug-In

OurfreshE provides the best results with the least amount of effort. The **OurfreshE dispenser** utilizes dry fragrances, so there are no messy liquids or sprays. It contains a high-powered fan for consistent 30 day coverage, and a digital display reminds you when to change the refill.

OurfreshE refills contain 3-5 times more fragrance than grocery store purchased plug-ins and freshens more space. The rotating plug works in any 3-prong outlet. The intensity button allows you to select the right setting, and there are no screws or tape needed to install.

OurfreshE high speed fan draws air through the charcoal filter, helping to clean the air for a better experience. The refills are 100% recyclable, contain a biodegradable additive and there are no batteries required!
