

# K406 US&O

## Uratic Salt & Odor Remover

**US&O** is a white emulsion uratic salt remover for those hard to remove calcium deposits in urinal drains and also controls odors that arise from uratic salts accumulating in the drain lines.

**Directions:** First and second month: Use 4 oz. 3 times a week. After 2 months: Use 2 oz. 3 times a week thereafter.

**Dilution Information:** 2 - 4 oz. per gallon.  
Ratio 30 - 60 parts water to 1 part **US&O Remover**.
