

K44 DRAIN FREE

*Fumeless, Non-Acid
Drain Opener*

Sewer & Drain Maintenance Quarts, Etc.

Drain Free is a ready-to-use acid-free drain cleaner that prevents accumulation of matter that can lead to slowing or stoppage of drains. Weekly applications for preventative drain maintenance can eliminate costly plumbing and repair bills, saving money.

Drain Free's heavier than water formulation goes straight to the stoppage. It penetrates and saponifies grease, grime, food, hair and other clogs without attacking pipes, fixtures or fittings. Unlike other high-powered drain cleaners, **Drain Free** is fumeless and odorless, which means no lingering unpleasant smells during use.

Drain Free comes in ready to use quarts and requires no mixing or dilution. Safe, effective, economical, **Drain Free** makes keeping your drains clean quick and easy.

USE ON:

Sinks, Toilets, Urinals, Cesspools,
Grease Traps, Floor Drains, Slop Sinks,
Septic Tanks

FEATURES:
