

K76 STA KLEEN

Spot & Stain Remover

Housekeeping Quarts Cleaners & Specialty

Sta-Kleen spot and stain remover is a concentrated, fast acting, high traffic, carpet and upholstery cleaner, pre-spray and spotter. Chemically fortified and enzyme assisted, it is an excellent interim maintainer between carpet cleanings. When used undiluted it acts as an excellent solvent based spotter for mechanical grease and oil. Also get exceptional results on water based stains. This biodegradable product has a superb peach/kiwi fragrance that makes treated carpets smell fresh and clean.

USE ON:

Carpets, Upholstery, Floor Mats, Car Seats, Baby Seats, Boat Rugs, Runners
