

K80 SPRINKLE FRESH

Granulated Deodorant System

Housekeeping Powders Deodorizers

Sprinkle Fresh is an encapsulated (salt like) granular system designed to completely neutralize odors at their source. It's micro-fine particle size is not visible when applied lightly, yet will deodorize for hours & hours. This unique granular system is a blend of natural and modified aromatic compounds, which when applied to a substance causing malodors, activates instantly. **Sprinkle Fresh** ionically bonds to the molecules of the malodor to destroy it.

Sprinkle Fresh salt like formula penetrates deep into carpet fibers to quickly eliminate odors from cigar and cigarette smoke, cooking spice odors, stale musty air, trash and garbage, pet urine and vomit and will leave the area smelling fresh and clean.
